

**081 CARLIN, CHARLES**

**Apprentice Printer**

**Alexandria**

Apprentice printer in the Alexandria office of Samuel Snowden (393) in 1816.

Carlin is a fleeting presence in the historical record; he appears just once, in a notice published in Samuel Snowden's *Alexandria Advertiser* reporting that he had run away from that shop. That single glimpse and a fairly common name make a fuller identification of Carlin impossible without more direct evidence.
