

Imprint No.: **1787.060**

Short Title: **Bill concerning Judges of the Admiralty and the General Court.**

Author: Virginia. General Assembly.

Title: [Bill to enable the judges of the admiralty to hold courts of oyer and terminer and to amend the act establishing the general court]

Place Issued: Richmond

Issuing Press: Uncertain

Description: Unrecorded

Notes: No copy known extant; Swem recorded this imprint from an order to print it separately from the session laws in the house journal, as was his practice.

As with the prior Assembly, the task of printing this session's laws was split among the three Richmond presses headed by John Dixon, Augustine Davis, and Thomas Nicolson; Dixon was officially the public printer, having become the sole holder of that office on the death of partner John Hunter Holt in June 1787, but his office was plagued by production delays, hence the division of the public work and the indeterminate provenance.
