Place Issued: Richmond

Issuing Press: Thomas Nicolson

Description: 32 pgs.; 19 cm. (8vo).

Notes: Case concerned property claims of one decedent's estate against the estate of another decedent (proved in 1787) argued before the Supreme Court of Appeals in about 1793.

One of a series of law reports published by Wythe in a form designed to be bound in volumes of collected decisions, so avoiding the expense of larger works, such as his earlier volume of High Court of Chancery decisions (1795.014); several imprints in this series carry only caption titles, so leaving determinations of authorial and printer credits to external sources; Evans attributed these unidentified titles to George Wythe and Thomas Nicolson, based on their 1795 association, and other authorities followed his lead – as does this Index.
