Short Title: **A Solemn Warning to all the Dwellers upon Earth (B).**

Author: Hughes, Nimrod.

Title: A solemn warning to all the dwellers upon earth, given forth in obedience to the express command of the Lord God, as communicated by Him, in several extraordinary visions and miraculous revelations, confirmed by sundry plain but wonderful signs, unto Nimrod Hughes, of the county of Washington, in Virginia, upon whom the awful duty of making this publication, has been laid and enforced; by many admonitions and severe chastisements of the Lord, for the space of ten months and nine days of unjust and close confinement in the prison of Abingdon, wherein he was shewn, that the certain destruction of one third of mankind, as foretold in the Scriptures, must take place on the fourth day of June, in the year of our Lord 1812.

Place Issued: Virginia

Issuing Press: Uncertain

Description: 12 pgs.; 20 cm. (12mo).

Notes: Title lacks both imprint and/or colophon; only known copy held by the Library of Virginia. This work was first published in Trenton (NJ) earlier in the year 1811. Two other editions of the tract were apparently published in Virginia in 1811, one carrying a fictitious, mocking imprint (1811.097) and one produced by John Alburtis in Martinsburg (1811.069).
