

Imprint No.: **1820.038**

Short Title: **Letter from the Engineer to a Member of the Board of Public Works.**

Author: Moore, Thomas, principal engineer.

Title: Letter from the Engineer of the Board of Public Works to a member of the Board. January 1819.

Place Issued: Richmond

Issuing Press: Shepherd & Pollard

Description: 8 pgs.; 21 cm. (8vo).

Notes: Title also constitutes Part 6 of a *Collection of Laws and Resolutions relating to Board of Public Works* (1820.039), but was apparently issued separately as evinced by surviving copies of this item independent of that collection; during the December 1819 Assembly, public printer Thomas Ritchie was ordered to assemble the collection; Ritchie evidently subcontracted the project to the firm of Samuel Shepherd & William Pollard (as he often did for non-standard items), who combined Ritchie-produced titles, reprints thereof, and heretofore unpublished materials, in a with six-part collection. This item not recorded by Swem.

IVP Associated Names: Samuel Shepherd (379); William Pollard (336)
