

Lineage No.: **CHARLESTOWN 02**

Group Title: **Farmers' Register**

Variant 01: Farmers' Register

Publication Data: Probably late 1804 into 1805 Weekly?

Proprietors: Unknown

IVP Associates: ---

Notes: Title recorded from a single issue extant in 1939, now lost. So dating uncertain, but clearly after latest known issue of *Charlestown Patriot* (November 12, 1804), and possibly a simple renaming of that paper. Probably printed by William Brown (058), who moved to Charlestown from Martinsburg in winter of 1801-02 after Jefferson County was formed.
