

Lineage No.: **SHEPHERDSTOWN 04**

Group Title: **Potomack Register**

---

**Variant 01: Potomack Register**

Publication Data: April 15, 1819 to early summer 1819 [?] Weekly

Proprietors: Robinson & Harper

IVP Associates: Robinson (361), Harper (202)

Notes: No copy of this paper known extant; existence recorded from notice found in the *National Intelligencer* of April 24, 1819, as part of its ongoing reporting of new journals received in its Washington office, to wit: "The Potomack Register, Va. weekly, by Robinson & Harper at two dollars per annum. The first No. issued on the 15th inst." [i.e. April 15, 1819].

Robinson & Harper had previously published Shepherdstown's *American Eagle* (1817-19), which apparently ceased publication with close of its third volume in March 1819. This new paper was followed by the *Informer and Weekly Advertiser* in September 1819, so indicating that the *Potomack Register* had ceased publication by then.

References: Not found by U.S. Newspaper Project, so no record in LC catalogue; Brigham II: 1174-75; Norona & Shetler 1375.
