

Lineage No.: **STAUNTON 09**

Group Title: **Observer**

Variant 01: The Observer

Publication Data: August 4, 1814 to August 18, 1814 Weekly

Proprietors: DuVal & Butler

IVP Associates: Philip DuVal (155), Joseph Butler (069), Gerard Banks (019)

Notes: Only the first three numbers of this title are known to have been issued; timing of paper's introduction coincided with British invasion of national capital region, with the last issue known antedating the burning of Washington on August 24, 1811 by just six days; so it is likely that its publication ceased as consequence of ensuing militia mobilizations in Valley, and was never restarted after the British withdrew in September.
