

Lineage No.: **WARRENTON 01**

Group Title: **Palladium of Liberty**

Variant 01: Palladium of Liberty

Publication Data: March 22, 1817 to March 13, 1818 Weekly

Proprietors: James Caldwell

IVP Associates: James Caldwell (071)

Notes: Earliest surviving number is that issued on August 23, 1817 (vol. 1, no. 23), indicating that publication commenced March 22, 1817; Caldwell added a partner to this paper at start of second volume/year, so end date reported here.

References: LCCN No. 84-024614; Brigham II: 1158.

Variant 02: Palladium of Liberty

Publication Data: March 20, 1818 to March 12, 1819 Weekly

Proprietors: Caldwell & McKennie

IVP Associates: James Caldwell (071), McKennie (291)

Notes: Issue of March 20, 1818 is first number of a second volume/year; Caldwell took McKennie on as partner for duration of that volume, which ended on March 12, 1819.

References: LCCN No. 84-024614; Brigham II: 1158.

Variant 03: Palladium of Liberty

Publication Data: March 19, 1819 to after June 7, 1822 Weekly

Proprietors: James Caldwell

IVP Associates: James Caldwell (071)

Notes: With start of its third volume/year on March 19, 1819, Caldwell resumed sole ownership of this weekly; publication continued until sometime after June 7, 1822, the date of the latest issue known. He may have continued paper into 1824 under the title of *Warrenton Gazette*, as references to that paper are printed elsewhere in 1823 and 1824, although no records of that title are noted in the standard bibliographic authorities.
