

Lineage No.: **WINCHESTER 07**

Group Title: **Philanthropist**

Variant 01: The Philanthropist

Publication Data: March 18, 1806 to about February 28, 1809 Weekly

Proprietors: Bartgis & Lingan

IVP Associates: Matthias E. Bartgis (025), Joseph A. Lingan (266)

Notes: Published on press used to print the preceding *Independent Register*; probably backed by Matthias Bartgis Sr., the Frederick, Maryland, publisher, father of the senior partner here. Only twelve numbers of this paper survive; earliest establishes the starting date reported here; latest known is that of February 28, 1809, showing that it did cease before that date; publication likely ended two weeks later, as March 14, 1809 issue would have completed paper's third volume/year. Bartgis left Winchester at that time, with Lingan keeping press; he issued the succeeding *Democratic Lamp* from that press in June 1809.
