

Imprint No.: **1805.018**

Short Title: **Virginia Planter's Almanac for 1806 (Johnson).**

Author: Shoemaker, Abraham, comp.

Title: The Virginia planter's Almanac, for the year of our Lord 1806. Being the second after Leap Year. ...

Place Issued: Richmond

Issuing Press: Jacob Johnson

Description: 48 pgs.; 18 cm. (12mo).

Notes: Actually printed in Philadelphia by John Bioren; he printed editions of this almanac that were largely identical typographically, with the exception of the title pages and last gathering, as *Poulson's Town and Country Almanac for 1806* (Shaw & Shoemaker 9184) for Conrad & Co. in Philadelphia, Baltimore, Washington, Pittsburgh, and Norfolk, as the *Virginia & North Carolina Almanac for 1806* for Somervell & Conrad in Petersburg (Shaw & Shoemaker 9672), and this variant for Jacob Johnson in Richmond (Shaw & Shoemaker 50625). Johnson and the Conrad brothers were associated in several Philadelphia publishing ventures before Johnson opened his Richmond bookstore; this title appears to be a part of one such venture.

This Richmond edition varies from the Petersburg one (1805.051) in a completely different title page (unlike the nearly identical ones seen in the Petersburg and Philadelphia editions) and pages 41-48, which combine like materials in a different order and advertising that is specific to the place of issue.
